

FOR FINANCIAL MEMBERS OF NPG

Northam Photography Group

First and foremost...

Thank you to Committee member Jenny Becker for planning a successful Workshop event at Juniper Bethavon Residency. It was lovely to light up some faces when they saw the back of the camera with their image! Thank you to members for submitting images taken for the slideshow which was presented at clubnight and to Bethavon. **Great job Jenny!**

-----

Welcome to our new financial members for 2024 Richard Domingo (Goomalling) Dee O'Driscoll (Grass Valley) Peter Hewitson (York) and Sue Millar & Lydia White (Cunderdin).

29 Members in total for 2024. Our affiliation fees will now be paid to WAPF so you are able to take part in any of their events & competitions.

# April Set Subject

## April: OUTDOORS AT NIGHT

**Brief:** Photos which have been taken outside at night between dusk and dawn. In night photography the lack of natural light can be challenging as the scene will take longer to expose, so you may have to widen your aperture, slow your shutter speed and/or raise your ISO to get the best results. # Bird Photography Workshop

with  
Athena Georgiou & **SONY**

Join Midland Camera House, Sony Australia and guest presenter Athena Georgiou for a photo workshop at Herdsman Lake. Athena will share her expert knowledge of bird photography and Sony cameras in regards to setting critical functions.

Capture the beauty of the region's diverse birdlife with hands-on experience using the latest Sony gear, including the new **Sony A9III** and the powerful **Sony 300mm f2.8** lens, provided for demonstration by State Representative Geoff Temple.

Whether you're a seasoned photographer or just starting, this workshop offers multiple opportunities to refine your skills. Midland Camera House staff will be in attendance to provide guidance and assist with any inquiries, ensuring you make the most of this photography experience. Don't miss this chance to elevate your photography amidst the stunning natural backdrop of Herdsman Lake.

# VISIONS OF THE COSMOS

PRESENTATION AND BOOK SIGNING  
BY DR JOHN GOLDSMITH

Photo: Dr John Goldsmith

## Visions of the Cosmos | Landscape Astrophotography from Western Australia

We invite you to join Midland Camera House and Western Australian author / astrophotographer, Dr John Goldsmith who will share his experience of WA landscapes at night gained from over 35 years of astro-landscape photography. His collaboration with nine talented Western Australian astrophotographers featuring almost 30 locations throughout Western Australia has resulted in a superb astro-landscape photography book **"Visions of the Cosmos"**. In this special evening presentation, Dr Goldsmith will also exhibit his Exmouth Total Solar Eclipse international collaboration, which produced fascinating detailed images.

**Dr John Goldsmith** is a Western Australian based astrophotographer, author and exhibition curator. Visions of the Cosmos is his third astrophotography book. He is a leading proponent of ethical astrophotography and leads collaborative based exhibition and astrophotography projects, having curated over 40 exhibitions since 1999. He is the creative developer behind Celestial Visions. To find out more about Dr Goldsmith's astrophotography activities please visit [www.celestialvisions.com.au](http://www.celestialvisions.com.au)
